- RVA EMPOWERMENT CHECKING REQUIREMENTS AND ADDITIONAL INFORMATION.** Fees. You will be charged a \$10.00 monthly account maintenance fee.
- RATE INFORMATION.** The Annual Percentage Yield (APY) reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. The interest rate and Annual Percentage Yield (APY) may change at any time and to any amount, as determined by our Board of Directors in its sole discretion. You must provide and maintain minimum opening deposits and/or minimum daily balances in order to earn the APYs stated above, if so indicated.
- COMPOUNDING AND CREDITING.** The frequency with which interest will be compounded and credited and is set forth above. The "Month" begins on the first calendar day of the month and ends on the last calendar of the month.
- MINIMUM BALANCE REQUIREMENTS.** The minimum balance requirements for each account are set forth above. Minimum balance requirements may include a minimum opening deposit, the minimum balance that you must maintain in the account to avoid service fees, and the minimum balance that you must maintain each day to earn the stated Annual Percentage Yield for that account. The Par value of a share in this credit union is disclosed on the Fee Schedule.
- BALANCE COMPUTATION METHOD.** We use the *Average Daily Balance* method to calculate interest on Checking (Share Draft) accounts. The *Average Daily Balance* method totals each day's balance for the dividend period and divides by the total number of days in the dividend period. We use the *Simple Daily Balance* method on Savings (Share), IRA, and Holiday Club accounts to calculate interest on your account. The *Simple Daily Balance* method applies a daily periodic rate to the balance in the account each day.
- ACCRUAL OF INTEREST.** Interest will begin to accrue on the business day that you deposit noncash items (e.g. checks) to your account. If you close your account before interest is paid, you will not receive the accrued interest.
- TRANSACTION LIMITATIONS. For Holiday Club Accounts:** the entire balance will be transferred to your share account on or after November 1st and the account will remain open. An early withdrawal penalty applies to additional withdrawals from this account.
- EMPOWER RVA MONEY MARKET.** \$10 fee applies monthly if balance falls below stated minimum. Withdrawals and transfers in excess of six per month are subject to \$10 fee per occurrence.

- RATE INFORMATION.** The Annual Percentage Yield (APY) reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. The interest rate and Annual Percentage Yield (APY) are fixed and will be in effect for the initial term of the account. The rates for Renewals shall be those rates in effect at the time of renewal. The APY stated is based on the assumption that interest will remain on deposit until maturity; a withdrawal of interest will reduce earnings. The interest rate and Annual Percentage Yield (APY) may change at any time and to any amount, as determined by our Board of Directors in its sole discretion.
  - COMPOUNDING AND CREDITING.** The frequency with which interest will be compounded and credited is set forth above. The “Month” begins on the first calendar day of the month and ends on the last calendar of the month.
  - MINIMUM BALANCE REQUIREMENTS.** The minimum balance requirements for each account are set forth above. Minimum balance requirements may include a minimum opening deposit, the minimum balance that you must maintain in the account to avoid service fees, and the minimum balance that you must maintain each day to earn the stated Annual Percentage Yield for that account. The Par value of a share in this credit union is disclosed on the Fee Schedule.
  - BALANCE COMPUTATION METHOD.** We use the *Simple Daily Balance* method to calculate interest on your account. The *Simple Daily Balance* method applies a daily periodic rate to the balance in the account each day.
  - ACCRUAL OF INTEREST.** Interest will begin to accrue on the business day that you deposit noncash items (e.g. checks) to your account. If you close your account before interest is paid, you will not receive the accrued interest.
  - MATURITY.** Your account will mature according to the term indicated above, and as indicated on your account summary or statement.
  - EARLY WITHDRAWAL; PENALTIES.** We will impose a penalty if you withdraw any of the funds in your account before the maturity date. The amount of the penalty is disclosed above. The penalty is calculated as a forfeiture of part of the interest that has been or would have been earned on the account, and applies whether or not the interest has been earned. The penalty may be deducted from the principal amount of the deposit. The Annual Percentage Yield disclosed for your account is based on an assumption that interest will remain in the account until maturity; a withdrawal will reduce earnings. Exceptions to Early Withdrawal Penalties: We may, at our option, pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: (1) If an account owner dies or is determined to be legally incompetent by a court or other body of competent jurisdiction; (2) If the account is an IRA Account and any portion is paid within seven days after the establishment of the account; (3) If the account is a Keogh Plan, provided that the depositor forfeits an amount at least equal to the simple interest earned on the amount withdrawn; or (4) if the account is an IRA or Keogh Account and the owner attains the age of 59 1/2 or becomes disabled.
  - RENEWAL POLICY.** Unless you otherwise instruct us, your term share account will automatically renew at maturity. You will have a grace period as indicated above after the maturity date to withdraw the funds in the account without being charged an early withdrawal penalty.
- \* **9-MONTH CERTIFICATE PROMOTION.** Rate/offer subject to change without notice. Automatic renewal to a 12-month term at the current dividend rate in effect at the time of renewal. RVA Financial FCU reserves the right to end or modify this offer at any time.
- \*\* **14-MONTH CERTIFICATE PROMOTION.** Rate/offer subject to change without notice. Automatic renewal to a 12-month term at the current dividend rate in effect at the time of renewal. RVA Financial FCU reserves the right to end or modify this offer at any time.
