Welcome to 2024!

Now that we have entered the New Year, it's time to put our goals into motion!

Here are some tips to make sure you don't neglect your plans in 2024:

- Make sure your goals are realistic for your current place in life
- Have an action plan to follow immediately after setting your goal
- Identify your goal is truly something you want to do and that you aren't doing it because of others

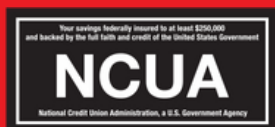

Our Company's Growth

As we enter the New Year, we are thrilled to announce that our company has experienced significant growth from Q4 2023 to Q1 2024.

Our brand new **Marketing and Business Development** teams are working hard to strategize and implement plans to increase brand awareness, create our own Empowerment Center, increase outreach through hosting workshops, and build new partnerships within the Richmond community to grow our business.

New Partnerships Formed

Smart Financial Decisions: Shifting Your Mindset

Budgeting does not always mean “going without.” Instead, why not visualize budgeting as a new mindset that allows you to create good habits, build an emergency fund, and reduce the chances of living paycheck to paycheck?

The first steps start with YOU and your choice of perspective!

A Message from the President/CEO, Cindy Lindsey:

With all the new additions to our teams, the devoted work and passion of our seasoned employees, and leadership’s vision, we are excited to see what 2024 has in store.
